PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD WEDNESDAY, JUNE 24, 1998

This Proxy Statement is furnished to the record holders of common stock, par value \$0.10 per share ("Common Stock") and Convertible Preferred Stock, Series A, par value \$10.00 per share ("Preferred Stock") of VAALCO Energy, Inc. (the "Company"), in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the annual meeting ("Meeting") of stockholders to be held on Wednesday, June 24, 1998 at 10:00 a.m. at the headquarters of the Company, 4600 Post Oak Place, Suite 309, Houston, Texas 77027, and any adjournment thereof.

Proxies in the form enclosed, properly executed by stockholders and received in time for the Meeting, will be voted as specified therein. If a stockholder does not specify otherwise, the shares represented by his or her proxy will be voted FOR the nominees for election of directors as listed herein, FOR the proposal to amend the Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock and FOR ratification of Deloitte & Touche as the independent public accountants to audit the Company's accounts for the fiscal year ending December 31, 1998. The giving of a proxy does not preclude the right to vote in person should the person giving the proxy so desire, and the proxy may be revoked at any time before it is exercised by written notice delivered to the Company at or prior to the Meeting. The mailing address of the Company's principal executive offices is 4600 Post Oak Place, Suite 309, Houston, Texas 77027 (Tel. No. 713/623-0801). This Proxy Statement is being mailed on or about June 12, 1998 to holders of record of Common Stock and Preferred Stock at the close of business on June 8, 1998 (the "Record Date").

At the close of business on the Record Date, there were outstanding and entitled to vote 20,749,968 shares of Common Stock and 10,000 shares of Preferred Stock, and only the holders of record on such date shall be entitled to vote at the Meeting. The holder of the Preferred Stock has the right to vote as class with the holders of Common Stock on all matters submitted to a vote of the holders of the Common Stock on an "as converted basis." Accordingly, with respect to all matters to come before the Meeting other than the election of the Preferred Stock Nominees (as defined below), each share of Common Stock entitles the holder to one vote, and each share of Preferred Stock entitles the holder to 2,750 votes so that the total number of shares of Common Stock outstanding and entitled to vote at the Meeting is 48,249,968. In addition, the holders of the Preferred Stock will be entitled to appoint one director (each, a "Preferred Stock Nominee") to each class of directors by voting separately as a class.

Regarding the election of directors, the enclosed form of proxy provides a means for stockholders to vote FOR the nominees as directed therein, to withhold authority to vote for one or more of the applicable nominees or to withhold authority to vote for all of the applicable nominees. With respect to other proposals to be voted upon, stockholders may vote in favor of a proposal, against a proposal, or may abstain from voting. Unless a holder of Common Stock or Preferred Stock who withholds authority votes in person at the meeting or votes by means of another proxy, the withholding of authority will have no effect upon the election of those directors for whom authority to vote is withheld because the Company's By-laws provide that directors are elected by a plurality of the votes cast. Under applicable Delaware law, a broker non-vote will have no effect on the outcome of the election of directors. The affirmative vote of the holders of at least 66 2/3% of the issued and outstanding shares of Common Stock and, on an as converted basis, the Preferred Stock, voting together as a class is required for the approval of the proposed amendment to the

Company's Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock. The affirmative vote of the holders of at least a majority of the issued and outstanding shares of Common Stock and, on an as converted basis, the Preferred Stock, voting together as a class present or represented and entitled to vote at the Meeting is required for the ratification of the appointment of auditors for the current fiscal year. With respect to the proposed amendment to the Company's Restated Certificate of Incorporation, and the ratification of the appointment of auditors,

-2-

abstentions effectively constitute negative votes because such shares will be considered as present and entitled to vote while broker non-votes will not be counted as shares entitled to vote and will have no effect on the outcome of the vote.

The holders of a majority of the issued and outstanding Common Stock together with, on an as converted basis, the issued and outstanding Preferred Stock, entitled to vote at the Meeting, present in person or represented by proxy, constitutes a quorum for purposes of the Common Stock. The presence in person or by proxy of the holders of record of one-third of the total number of shares of Preferred Stock then outstanding and entitled to vote shall be necessary and sufficient to constitute a quorum of holders of Preferred Stock. At the Meeting or at any adjournment thereof, the absence of a quorum of the holders of shares of Preferred Stock shall not prevent the election of directors other than those to be elected by the holders of shares of Preferred Stock, and the absence of a quorum of the holders of shares of the Common Stock shall not prevent the election of directors to be elected by the holders of shares of Preferred Stock.

ITEM 1.

ELECTION OF DIRECTORS

NOMINEES

Pursuant to the Company's Restated Certificate of Incorporation, the Board of Directors is divided into three classes that are elected for staggered three-year terms and hold office until their successors are duly elected and qualified. Each of the current directors is presently serving an indefinite term because his successors have not been duly elected and qualified. It is the Board of Directors intention to re-establish the staggered terms at the Meeting. Accordingly, the term of the Class I directors, currently comprised of Messrs. Nielsen, Scheirman and Tucker, will expire at the 1999 Annual Meeting of Stockholders. The term of the Class II directors, currently comprised of Messrs. Walston and Long, will expire at the 2000 Annual Meeting of Stockholders. The term of the Class III directors, currently comprised of Messrs. Alcorn, Gerry and Grist, will expire at the 2001 Annual Meeting of Stockholders. The nominees for election at the Meeting, other than the Preferred Stock Nominees, are Messrs. Nielsen and Scheirman as Class I nominees, Mr. Walston as a Class II nominee and Messrs. Alcorn and Gerry as Class III nominees. Each of these nominees will be elected by both the holders of the Common Stock and, on an as converted basis, the owners of the Preferred Stock, voting together as a class. The Company's Certificate of Designation, pursuant to which the Preferred Stock was issued to the Fund on April 21, 1998, provides that the holders of the Preferred Stock have the right to appoint three directors to the Company's Board of Directors, voting together as a class. Accordingly, on April 21, 1998, Messrs. Tucker, Long and Grist were appointed directors by the Fund and have been nominated as the Preferred Stock Nominees as Class I, Class II and Class III directors, respectively. Each director elected by the holders of shares of Preferred Stock shall, unless his or her term shall expire earlier in accordance with the provisions thereof, hold office until the annual meeting of stockholders at which directors of the class to which he has been elected stand for election or until his successor, if any, is elected and qualified.

-5-

If any director so elected by the holders of Preferred Stock shall cease to serve as a director before his or her term shall expire (except by reason of the termination of the voting rights accorded to the holders of Preferred Stock in accordance with the Certificate of Designation, the holders of the Preferred Stock then outstanding and entitled to vote for such director may, by written consent as provided herein, elect a successor to hold office for the unexpired term of the director whose place shall be vacant. Any director elected by the holders of shares of Preferred Stock voting separately as a single class may be

removed from office with or without cause by the vote or written consent of the holders of at least a majority of the outstanding shares of Preferred Stock, at the time of removal.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they filed with the Commission.

To the Company's knowledge and except as otherwise set forth below, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 1997, the Company's officers, directors and greater than ten percent stockholders had complied with all Section 16(a) filing requirements. INFORMATION CONCERNING THE OPERATION OF THE BOARD OF DIRECTORS

The business of the company is managed under the direction of the Board of Directors. The board of Directors meets on a quarterly basis to review significant developments affecting the Company and to act on matters requiring Board approval. The Board of Directors may also hold special meetings when an important matter requires Board action between regularly scheduled meetings. Directors are not compensated for service on the Board of Directors or any committee thereof.

During 1997, the Board of Directors held five meetings and executed two unanimous consents in lieu of meetings. All directors were present at all of the meetings, except that Mr. Nielson did not attend one of the meetings.

In order to facilitate the various functions of the Board of Directors, the Board of Directors has created an Audit Committee. Prior to May 5, 1998, the sole member of the audit committee was Arne R. Nielson. On May 5, 1998, the Board re-appointed Mr. Nielson and appointed Walter W. Grist to the Audit Committee. The Audit Committee (i) reviews with the Company's independent auditors the scope of the annual audit, (ii) reviews the independent auditors' management letter and (iii) meets with the Company's internal auditors. Also on May 5, 1998, the Board created a Compensation Committee comprised of T. Michael Long and Lawrence C. Tucker, both of whom are non-employee directors. The Compensation Committee establishes and approves the terms of employment of executive officers and reviews and approves management's recommendations concerning compensation of certain other employees. The functions customarily performed by a nominating committee are performed by the entire Board of

Directors.

It is the intention of the persons named in the proxy to vote the proxies FOR the election of the nominees named below, unless otherwise specified. The management of the Company does not contemplate that any of such nominees will become unavailable for any reason, but if that should occur before the meeting, proxies will be voted for another nominee, or other nominees, to be selected by the Board of Directors of the Company. See "Stockholders' Proposals for Next Annual Meeting."

Mr. Gerry is also entitled to a bonus in the discretion of the Board of Directors as to amount and timing, as well as participation in the Company's medical and disability plans on terms no less favorable than those applicable to other executive officers of the Company and life insurance in the amount of \$70,000. Pursuant to the Agreement, Mr. Gerry was granted options to purchase 1,000,000 shares of the Company's Common Stock at an exercise price of \$0.625 per share, and 500,000 shares of Common Stock vested on August 1, 1997 and 500,000 shares of Common Stock will vest on August 1, 1998. The options may be exercised for five years from the vesting date. None of the options had been exercised as of April 30, 1998. The Agreement terminates upon death, incapacity for a period of 180 continuous days, cause, the occurrence of circumstances that make it impossible or impractical for the business of the Company to be continued or prior written notice to the Company by Mr. Gerry. In the event that Mr. Gerry's employment is terminated other than for cause or by Mr. Gerry upon prior notice, he is entitled to receive a lump sum payment equal to the remaining compensation due through the date the Agreement would otherwise have terminated as well as the continuation of other benefits granted under the Agreement.

From March 15, 1993 through August 1, 1998, the Company is a party to an Employment Agreement with Mr. Scheirman which provides that Mr. Scheirman shall serve as President and Chief Financial Officer of the Company and as a director of the Company during the term of the Agreement for annual compensation of \$160,000. He is entitled to reimbursement for all reasonable and necessary business expenses incurred in the performance of his services under the Agreement. Mr. Scheirman is also entitled to a bonus in the discretion of the Board of Directors as to amount and timing, as well as participation in the Company's medical and disability plans on terms no less favorable than those applicable to other executive officers of the Company and life insurance in the amount of \$70,000. Pursuant to the Agreement, options were granted to Mr. Scheirman for 1,000,000 shares of the Common Stock of the Company at exercise prices of \$0.375 per share for 400,000 shares, \$0.50 per share for 300,000 shares and \$1.00 per share for 300,000 shares. The options vest over a term of three years and may be exercised for five years from the vesting date. As of April 30, 1998, Mr. Scheirman had vested options to purchase 340,000 shares at \$0.375 per share, 300,000 shares at \$0.50 per share and 100,000 shares at \$1.00 per share. None of the options had been exercised as of April 30, 1998. This Agreement terminates upon death, incapacity for a period of 180 continuous days, cause, the occurrence of circumstances that make it impossible or impractical for the business of the Company to be continued or prior written notice to the Company by Mr. Scheirman. In the event that Mr. Scheirman's employment is terminated other than for cause or by Mr. Scheirman upon prior notice, he is entitled to receive a lump sum payment equal to the remaining compensation due through the date the Agreement would otherwise have terminated as well as the continuation of other benefits granted under this Agreement.

Under both Mr. Gerry's and Mr. Scheirman's employment agreements, "cause" is defined as the entry of a final and non-appealable judgment by a court of competent jurisdiction to the effect that the employee, in connection with his services for the Company, committed any act or omission which was criminal or constituted willful or wanton misconduct.

From March 1, 1992 through July 31, 1997, the Company was a party to an Employment Agreement with each of Messrs. Alcorn and Walston. Each Employment Agreement provided for an annual salary of \$96,000 and the use of a motor vehicle at the Company's expense.

From September 1, 1996 through September 1, 1997, the Company was a party to an Employment Agreement with Mr. William Pritchard which provided for annual compensation of \$160,000. Mr. Pritchard was granted 1,000,000 warrants to purchase shares of the Company's Common Stock. The warrants are for a term of five years and consist of the right to purchase 250,000 shares of Common Stock at an exercise price of \$0.50 per share, 250,000 shares of Common Stock at an exercise price of \$2.50 per share, 250,000 shares of Common Stock at an exercise price of \$5.00 per share, and 250,000 shares of Common Stock at an exercise price of \$7.50 per share. The warrants were completely vested at December 31, 1996. None of the warrants had been exercised as of April 30, 1997.

ITEM 2.

PROPOSAL TO INCREASE AUTHORIZED COMMON STOCK

The Board of Directors of the Company has unanimously approved and recommends that the stockholders approve a proposal to amend Article Four of the Company's Restated Certificate of Incorporation to increase the authorized shares of the Company's Common Stock from 50,000,000 shares to 100,000,000 shares (the "Amendment"). No change is proposed to be made to the number of authorized shares of Preferred Stock.

The text of the first paragraph of Article Four of the Restated Certificate of Incorporation, as proposed to be amended, reads as follows:

"The aggregate number of shares which the corporation has authority to issue is 100,500,000, of which 100,000,000 shares shall be a class designated as Common Stock with a par value of \$0.10 per share, and 500,000 shares shall be a class designated as Preferred Stock with a par value of \$25.00 per share. The Board of Directors is authorized, subject to limitations prescribed by law and the provisions of this Article Four, to provide for the issuance of shares of Preferred Stock in series, and, by filing a certificate pursuant to the applicable law of the State of Delaware, to establish from time

-12-

to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each series and the qualifications, limitations or restrictions thereof."

At the close of business on the Record Date the Company had 20,749,968 outstanding shares of Common Stock, 27,500,000 shares are reserved for issuance upon conversion of the Preferred Stock and approximately 3,075,000 shares reserved for issuance pursuant to stock options and warrants granted to employees. The 1818 Fund II, L.P. and certain directors and executive officers of the Company have agreed not to exercise outstanding Preferred Stock or Options convertible into Common Stock owned by them provided that the Company caused the stockholders to vote to increase the number of authorized shares under the Restated Certificate of Incorporation.

The Board of Directors of the Company believes the proposed increase in the authorized shares of Common Stock is in the best interests of the Company and its stockholders. The increase would provide the Company with needed flexibility to act with respect to possible future financings, investment opportunities, acquisitions, stock dividends, stock issuances under employee stock option grants and other corporate purposes without the delay and expense involved in obtaining stockholder approval each time an event requiring the issuance of shares may arise.

Other than fulfilling the Company's obligations to issue stock pursuant to the conversion of the Preferred Stock and the exercise of stock options and warrants, the Company has no specific plans calling for the issuance of any additional shares of Common Stock. The Company's issuance of additional shares of Common Stock, including the shares of Common Stock that will be authorized if the Amendment is approved, may dilute the equity ownership position of current holders of Common Stock. If the Amendment is approved, the Company's Board of Directors generally may issue the additional authorized shares of Common Stock without further shareholder approval. In some instances, shareholder approval for the issuance of additional shares may be required by law or by any exchange on which the Company may be listed. All newly authorized shares would have the same rights as the presently authorized shares, including the right to cast one vote for each share held of record on all matters submitted to a vote of stockholders and, subject to the rights of the holders of Preferred Stock, to participate in dividends when and to the extent declared and paid. Holders of Common Stock do not have preemptive rights and are not entitled to cumulate votes for the election of directors.

The availability of authorized but unissued shares of Common Stock might be deemed to have the effect of preventing or discouraging an attempt by another person to obtain control of the Company, because the additional shares could be issued by the Board of Directors, which could dilute the stock ownership of such person. The Company has no plans for such issuances and this proposal is not being proposed in response to any known effort to acquire control of the Company.

Adoption of the amendment to the Restated Certificate of Incorporation requires the affirmative vote of at least 66-2/3% of the issued and outstanding shares of Common Stock and, on an as converted basis, the Preferred Stock, voting together as a single class.

THE BOARD OF DIRECTORS BELIEVES THAT THE PROPOSAL IS IN THE BEST INTEREST OF THE COMPANY AND ITS STOCKHOLDERS AND UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY A CONTRARY CHOICE IN THEIR PROXIES.
