Pursuant to Rule 429 of the Securities Act, the prospectus related to this Registration Statement also covers securities registered under Registration Statements Nos. 333-197180, 333-183515 and 333-67858 on Form S-8. See Explanatory Statement.

EXPLANATORY STATEMENT

This Registration Statement on Form S-8 is filed by VAALCO Energy, Inc., a Delaware corporation (the “Registrant” or the “Company”), to register 292,500 shares of common stock, \$0.10 par value (the “Common Stock”), of the Registrant available for issuance under (i) that certain Standalone Restricted Stock Award Agreement dated April 17, 2017, and (ii) that certain Standalone Nonstatutory Stock Option Award Agreement dated April 17, 2017, both by and between the Registrant and Phillip F. Patman, Jr. (together, the “Patman Inducement Awards”). Mr. Patman was appointed as the Registrant’s Chief Financial Officer effective April 17, 2017. The Compensation Committee of the Board of Directors of the Registrant approved the awards made to Mr. Patman under these agreements as an “employee inducement award” within the meaning of Rule 303A.08 of the New York Stock Exchange Listed Company Manual Rules. The Registrant had entered into an Employment Agreement with Mr. Patman dated April 17, 2017, which provided that Mr. Patman would be eligible for stock options or other incentive awards.

This Registration Statement on Form S-8 is also being filed by the Registrant to register the issuance of 2,563,897 shares of Common Stock that had been formerly available for issuance under certain “Prior Plans” (as defined below) of the Registrant, and now are available for issuance under the Registrant’s 2014 Long Term Incentive Plan (the “2014 LTIP”).

The Registrant’s stockholders approved the 2014 LTIP effective April 16, 2014 (the “2014 LTIP Effective Date”). Under the terms of the 2014 LTIP, 4,600,000 shares of Common Stock were newly authorized and reserved for issuance under awards to be made under the 2014 LTIP. On July 1, 2014, the Registrant filed a registration statement on Form S-8 (Registration No. 333-197180) with the Commission to register 4,600,000 shares of the Registrant’s Common Stock available for issuance under the 2014 LTIP.

The terms of the 2014 LTIP consolidated into a single plan several previously existing equity compensation plans of the Registrant, including the VAALCO Energy, Inc. 2001 Stock Incentive Plan (the “2001 Plan”) and the VAALCO Energy, Inc. 2012 Long Term Incentive Plan (the “2012 Plan”) and together with the 2001 Plan, the “Prior Plans”). The terms of the 2014 LTIP provided that, in addition to the 4,600,000 shares authorized under the 2014 LTIP, any shares of Common Stock under the Prior Plans that were the subject of an outstanding stock option or other types of stock incentive awards under the Prior Plans, and which, on or after the 2014 LTIP Effective Date, were forfeited, expired unexercised, or terminated in any other manner, such that all or some of the shares covered by such incentive award were not issued, would thereupon become immediately available for grants under the 2014 LTIP (the “Released Prior Plan Shares”).

Thus, the Released Prior Plan Shares, which had been previously registered under Registration Statements on Form S-8 filed with the Securities and Exchange Commission (the “Commission”) (Registration Nos. 333-67858 and 333-183515), thereupon became available for grants under the 2014 LTIP in accordance with the terms of the 2014 LTIP. The 2014 LTIP Plan further provided that, as of the 2014 LTIP Effective Date, no further grants of new incentive awards or awards of Released Prior Plan Shares could be made under the Prior Plans, and that Released Prior Plan Shares available for issuance under the Prior Plans would become available for issuance under the 2014 LTIP.

The additional shares being registered under the 2014 LTIP covered by this Registration Statement are of the same class as other securities relating to the 2014 LTIP for which the Registrant’s Registration Statement on Form S-8 filed with the Commission (Registration No. 333-197180) is effective.

This Registration Statement on Form S-8 serves as a post-effective amendment to the Registration Statements on Form S-8 (Registration Nos. 333-197180, 333-67858 and 333-183515) previously filed and referred to above.

Pursuant to Rule 429(a) of the Securities Act of 1933, as amended, the prospectus contained in this Registration Statement on Form S-8 is a combined prospectus that is being filed as part of this Registration Statement, and the previously-filed Registration Statements Nos. 333-197180, 333-183515 and 333-67858 on Form S-8. Fees for the previously-filed registration statements listed in the immediately preceding sentence were paid at the respective dates of their initial filings.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware, in which the Registrant is incorporated, provides generally and in pertinent part that a Delaware corporation may indemnify its directors, officers, employees and agents (or persons serving at the request of the Registrant as a director, officer, employee or agent of another entity) against expenses, judgments, fines, and settlements actually and reasonably incurred by them in connection with any civil, criminal, administrative, or investigative suit or action except actions by or in the right of the corporation if, in connection with the matters in issue, they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and in connection with any criminal suit or proceeding, if in connection with the matters in issue, they had no reasonable cause to believe their conduct was unlawful. Section 145 further provides that in connection with the defense or settlement of any action by or in the right of the corporation, a Delaware corporation may indemnify its directors, officers, employees and agents (or persons serving at the request of the Registrant as a director, officer, employee or agent of another entity) against expenses actually and reasonably incurred by them if, in connection with the matters in issue, they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue, or matter as to which such person has been adjudged liable to the corporation unless the Delaware Court of Chancery or other court in which such action or suit is brought approves such indemnification. Section 145 further permits a Delaware corporation to grant its directors and officers additional rights of indemnification through bylaw provisions and otherwise, and or purchase indemnity insurance on behalf of its directors and officers. Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See exhibits listed under the Exhibit Index hereto and incorporated herein by reference.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of its annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to its directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by the Registrant is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8 of 2,856,397 Shares of Common Stock of VAALCO Energy, Inc.

Ladies and Gentlemen:

We have acted as securities counsel for VAALCO Energy, Inc., a Delaware corporation (the “*Company*”), in connection with the preparation of the Registration Statement on Form S-8 (the “*Registration Statement*”) under the Securities Act of 1933, as amended (the “*Securities Act*”), filed by the Company with the Securities and Exchange Commission (the “*Commission*”) on the date hereof, which relates to the registration of shares (the “*Shares*”) of the Company’s common stock, \$0.10 par value per share (the “*Common Stock*”). Of the total 2,856,397 Shares being registered under the Registration Statement, (i) 292,500 Shares are issuable under awards granted pursuant to (a) the VAALCO Energy, Inc. Standalone Restricted Stock Award Agreement with Philip F. Patman, Jr. and (b) the VAALCO Energy, Inc. Standalone Nonstatutory Stock Option Award Agreement with Philip F. Patman, Jr. (together, the “*Patman Inducement Awards*”) and (ii) 2,563,897 Shares that are or that become available for issuance pursuant to the terms of the Company’s 2014 Long Term Incentive Plan (the “*2014 LTIP*”) that were credited to the share reserve under the 2014 LTIP in accordance with its terms, from the VAALCO Energy, Inc. 2001 Stock Incentive Plan and the VAALCO Energy, Inc. 2012 Long Term Incentive Plan (together, the “*Prior Plans*”).

As the basis for the opinions hereinafter expressed, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement; (ii) the Restated Certificate of Incorporation of the Company, as amended to date; (iii) the Second Amended and Restated Bylaws of the Company, as amended to date; (iv) the Patman Inducement Awards; (v) the 2014 LTIP and the Prior Plans; and (vi) such other documents, corporate records, certificates and other instruments as we have deemed necessary or advisable for the purposes of the opinions contained herein.

In making the foregoing examination, we have assumed (i) the genuineness of all signatures; (ii) the authenticity of all documents submitted to us as originals; (iii) the conformity to original documents of all documents submitted to us as certified or photostatic copies and (iv) that all agreements or instruments we have examined are the valid, binding and enforceable obligations of the parties thereto. Furthermore, we have assumed that prices paid for the Shares of Common Stock will equal or exceed the par value per share of the Common Stock. As to questions of fact material to this opinion, where such facts have not been independently established, and as to the content and form of the Restated Certificate of Incorporation, Second Amended and Restated Bylaws, Patman Inducement Awards, 2014 LTIP, Prior Plans, minutes, records, resolutions and other documents or writings of the Company, we have relied, to the extent we deem reasonably appropriate, upon representations or certificates of officers or directors of the Company and upon documents, records and instruments furnished to us by the Company, without independent check or verification of their accuracy.

Based upon the foregoing, and having due regard for such legal considerations as we deem relevant, we are of the opinion that, as of the date hereof, when the Shares have been issued by the Company against payment therefor in the circumstances contemplated by the Patman Inducement Awards and the 2014 LTIP, assuming in each case that the individual grants or awards under the Patman Inducement Awards and the 2014 LTIP are duly authorized by all necessary action of the Company and duly granted or awarded and exercised in accordance with the requirements of law, the Patman Inducement Awards and the 2014 LTIP (and the agreements and instruments evidencing the awards duly adopted thereunder and in accordance therewith), the issuance of the Shares will be validly issued, fully paid and nonassessable.

The foregoing is limited to the Delaware General Corporation Law (including the applicable provisions of the Delaware Constitution and the reported decisions interpreting these laws). We are expressing no opinion as to the effect of the laws of any other jurisdiction, domestic or foreign.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, we are not admitting that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission issued thereunder.

Our opinion is rendered as of the date hereof, and we assume no obligation to update or supplement our opinion to reflect any change of fact, circumstance or law after such time.

Very truly yours,
/s/ Haynes and Boone, LLP
